

Alopecia Retail Price List 2026

Prescription Products

Product	Price
Several formulations are available on prescription. These products may be ordered with or without a Trichotest	POR

The shelf life of these products vary between 30 and 90 days. All products will only be ordered once payment reflects. Please request an invoice and order products 7-10 days in advance. Please be advised that Prostaglandin-based products will initially cause increased shedding of hair at around 6 weeks. Results are visible from 12 weeks after commencement of products.
